SHADI KABAJAH

DATA ANALYTICS | BUSINESS INTELLIGENCE | MBA

San Francisco, CA skabajah@icloud.com https://skabajah.github.io

SUMMARY

Analytics leader with 10+ years driving cross-functional teams and enterprise-wide programs. Proven ability to deliver measurable business impact by aligning data strategy with organizational goals, optimizing operations, and scaling analytics capabilities across global teams.

EXPERIENCE

Google

Senior Data Analyst | Cognizant | Mountain View, CA | Dec 17 - Dec 2021

- Developed and managed more than 20 dashboards and data pipelines, processing over 1 million daily user reports to enhance operational efficiency for 11 product teams
- Designed and deployed new onboarding dashboards and delivered five new analytics systems, ensuring long-term adoption and providing actionable insights for product teams

Facebook

Lead Search Ranking Analyst | Pro Unlimited | Menlo Park, CA | Jun 17 - Nov 17

- Automated 20 global SQL workflows, resulting in a reduction of 80 hours per week in manual reporting

Google

Data Analyst, Maps team | Adecco | Mountain View, CA | Mar 15 - Mar 17

- Built dashboards for a team of over 50 analysts, which streamlined workload management and decreased the reliance on expensive licensed map data
- Created geospatial labeling guidelines and auditing processes to ensure accurate and consistent map content across regions
